BED & BATH FALL WINTER 2026

Namaste

After a long journey, Pip arrived with her cases in front of a beautiful bamboo gate in the heart of Delhi. She had been invited there by her Indian friend Josy, who welcomed her with a wave.

Via the sun-drenched garden, they entered his refreshingly cool house. Pip looked around inquisitively. The ceiling was remarkably tall, almost like a vault, and the windows had stained glass, just like in a church. In the corner, was a majestic peacock, India's national bird. Josy led her into the kitchen and Pip sat herself down at the big wooden table. Josy's wife arrived with a tray full of delicacies and cold lemonade in coloured glasses. A red and yellow garland of flowers lay on the tray. "I simply adore garlands!" Pip cried enthusiastically. "Just wait till you see the market in Old Delhi..." Josy said with a mysterious smile.

Later that afternoon, they took a rickshaw to the old market, which was like a city in itself. The scent of spices filled the air and all around them they saw men hauling heavy loads. They wandered endlessly through the narrow alleyways full of colourful shops. Pip discovered the most beautiful dresses, hand-painted eggs and vases. There was a spiral staircase leading to a storeroom full of printed boxes. Josy had to run to keep up with her through the bustling crowd.

Then, in a small shop full of beautifully patterned fabrics, Pip found a scarf with hand-drawn flowers. "Josy just has to see this!" But Josy was nowhere to be found. Pip suddenly began to feel anxious. Fortunately, the lady shopkeeper came to her help; she took her outside and the two of them went in search of her friend.

After some time, they arrived at a shop with orange and yellow garlands. From behind the curtain of flowers Josy emerged with a broad smile. "I knew you'd end up here sooner or later." Pip beamed, with a glint of relief in her eyes. She suddenly felt a strong craving for a comforting cup of tea. "Namaste!" she laughed.

With love from Pip

Yesterday is a treasure, today is a gift

In 2007, Pip Studio was founded in Amsterdam by Catharina van der Endt who decided it was time to colour outside the lines. Today, Pip Studio has grown up, but kept her playful character. Pip Studio is a reflection of Catharina's positive personality and perspective on life. She is convinced that each moment of each day beholds the opportunity to share and celebrate life with the people we care for.

Some people are born with it. Others gain it from experience.
Some will never learn... The ability to recognize life is full of moments that might make the difference. You could ignore those tiny chunks of gold by sticking to your daily routine. But Pip suggests doing the exact opposite. Chase them, embrace them and cherish them. Pip encourages people that put their heads through the window to catch the last beam of sun or stick their tongues out to catch that first drop of rain.

By surrounding yourself with Pip's creations, you remind yourself of the choice to celebrate whenever and wherever. From waking up in the morning in a beautifully messy bed, walking barefoot over fairy tale tiles to sipping coffee together from royal porcelain cups that are different in every way you look at it.
From teapot to wallpaper, from carpet to cookie jar: Pip brightens your day with a colourful mash-up of styles and stories. Pip is a true treasure hunter. A passionate collector of past prettiness and enthusiastic adopter of bright new technology, like digital textile printing or porcelain cutlery. Resulting in a growing number of collections of today's classics.

Pip's products are crafted with eye for the tiniest (quirky) details. Classic yet inventive, traditional yet original. They remind us to embrace our heritage and inspire us to celebrate life. ***Yesterday is a treasure, today is a gift.***

UNIQUE FINISHES

Pip Studio's duvet covers feature luxurious finishes, such as roll piping, the well-known high-quality percale and Oxford edging. The prints are unique and will surprise you time after time with lots of details. The unique bow closure allows the cushions, and the duvet covers, to be used on both sides. This gives a playful mix & match effect on your bed.

HIGH QUALITY

Our standard fabric is the high quality 200TC cotton percale. Thanks to its high thread density, it feels firm, extra 'crispy', and much softer and finer than normal cotton. This fabric breathes and is moisture absorbent. The duvet cover has a tuck-in strip long enough for a boxspring, so it will fit perfectly on every bed. This combined with our beautiful accessories creates a luxurious look & feel in your bedroom.
